AUGUST MESSAGE SERIES AT OPEN ARMS: Living In the "In Between Times"

The Book of Numbers is important because it tells us about the time the Israelites spent "In the Wilderness," between Egypt and the Promised Land. We are living between Jesus' ascension to heaven and His return on the last day. Numbers gives us hope to face the "In Between Times" in our lives.

OPEN ARMS DIRECTORY. The church software programs that Open Arms uses has the capability enabling Open Arms to creating an online Directory. It would be very helpful to have an updated photo directory to help Pastor Eddie get to know the Open Arms family quickly. Your help is needed to make that happen. Please send your current email address and cell phone number(s) to info@openarmscenter.com. Attach individual or family photos. If enough photos and updated information is submitted, Open Arms will be able to create an online Photo Director and provide secure login information.
